SQUARE ENIX (INDIA) is proud to present **8 Ball Shoot It All**, an authentic pool game that allows players to compete in the beloved game of 8 ball against rivals around the world in its multiplayer and challenge modes, among others. Appealing graphics, 2D and 3D view options, and the ability to put a backspin on a ball by changing where you strike it are among the features that make for smooth gameplay that feels like the real thing.

Other modes match players with new friends or pit them against AI, and they can enjoy a variety of other features, including upgrades and customizations to the cue stick, chalk, and cue ball. Customizations can be obtained not only with winnings from online competitions, but also by viewing ads, using log-in bonuses, and making in-game purchases.

<Combining realism and comfort in gameplay & A wide range of customization options>

8 Ball Shoot It All had previously been available for early access in certain geographies. It is slated for an official release as a free-to-play smartphone game on January 31, 2024.
